WHS October Speaker

October 11: Andy Mariani
Owner of Andy's Orchards, Morgan Hill, CA.
"Stone Fruits for the Bay Area: History, Cultivation, and Varieties"
This lecture will cover history of fruit growing in the Bay Area, particularly in Santa Clara Valley. This area's soil and climate combined to make it one of the world's finest fruit growing regions. Andy will address many of the key factors in fruit cultivation: winter chill requirements, the selection of variables that do well in this area, and cultural aspects such as training and pruning, fertilization, irrigation, and pest management. Andy is a fruit expert for the California Rare Fruit Growers organization, is a contributing writer to the Oxford Encyclopedia of American Food and Drink in America, and has written and lectured extensively on fruit and fruit culture. He often teaches classes of Master Gardeners (Santa Clara County) and horticulture students at the local high school, as well as gardening forums on the internet.

November 8: Bill (William A.) Grant
Garden writer and photographer, founder of Garden History Society of California.
"What's Wrong With My Roses?"

December 5: Betsy Fryberger
Burton and Deedee McMurtry Curator of Prints and Drawings, Iris & B. Gerald Cantor Center for Visual Arts, Stanford University.
"A Taste for Citrus"

January 10: Ron Parsons
Author, Masdevillas, Gems of the Orchid World (with Mary E. Gerritsen)
"The Splendor of California Wildflowers"

February 14: Paul Heiple
Geologist, Representative to Santa Clara County Weed Management Area.
"Weeds: What Horticulturists Find in Pandora's Box"

March 14: Daisy Mah
Supervisor, William Land Park.
"The Gardens of William Land Park, Sacramento, California"

April 11: Carol Bornstein
Director of Living Collections and Nursery, Santa Barbara Botanic Garden.
"Perennial Borders for California Gardens"

May 9: Bob Hornback
Owner of Muchas Grasses, Occidental, CA
"Variegated Plants: Horticulture Goes Hollywood."

Our monthly meetings feature the speakers listed above; doors open at 7pm and meetings begin at 7:30. The location is Covington School, 205 Covington Road, Los Altos. Please also join our speaker for dinner prior to the meeting at Chef Chu’s at 5:30pm at the corner of El Camino Real and San Antonio Avenue. This is a terrific opportunity for our members to get to know each other better, and to get to know our speakers. Please call Gail Klein to confirm at 650-852-0775.

The next newsletter deadline will be October 18th. Please call or email Michelle Bond (editor) at 650-363-9244 or michelle@hunzikers.org for newsletter content. For questions about the newsletter mailing party location, please contact Elizabeth Garbett at 650-948-4001 or crgarbett@sbcglobal.net. Please contact Claudia Stopp (408) 370-6936 or cjsubhi@sbcglobal.net with any changes of address.

Calling All Artists!
The WHS 'Blooming Art' sale is looking for members and friends willing to donate original artwork of all types for our spring fundraiser. The only request is that all artwork should be plant or nature related. So if you do photography, watercolor, paint on tee-shirts, jewelry, and especially outdoor garden art and garden sculpture—here's your chance to show off your talents and help the WHS in the process. Start planning now for the art that you can contribute to our 'Blooming Art' sale. Contact any of the 'Blooming Art' committee with questions or artwork donations, and stay tuned for more exciting details!

Janice Gillmore (408) 867-9428 janicegillmore@yahoo.com
Sherry Hall (831) 724-0822 john.sherry@charter.net
Patricia Knight (650) 941-6136 deerproof@yahoo.com
Nancy Schramm (408) 847-2313 edgreenthumb@att.net

Everyone must take time to sit and watch the leaves turn.

More Western Hort Business and News...

Important - Dues Renewal Reminder!
It is that time of year again; our membership year is from September 1 through August 31. It is important to renew without delay to ensure the smooth continuation of your subscription to Pacific Horticulture magazine and to keep the coffer in the black. There are established deadlines, so the process of transferring information can be made in a timely manner. We urge you to send in your dues now. With the September newsletter you received the membership renewal form; if it has gone missing, you may download the form from our website at www.westernhort.org. Prompt renewal helps those who have to coordinate with Pacific Horticulture people, the newsletter editor (we try to keep members notified of new members,) as well as the volunteers who put together the information for labels and mailing, etc. We look forward to your participation in the activities we have planned for you this coming year. Thank you!  ~Claudia Stopp

In Memory...
Tom Andrews, a long time Western Horticultural Society member from Los Altos, passed away in July of this year at the age of 87. He participated in many activities of the Society, and when the WHS created gardens for the San Francisco Garden Show at Fort Mason, he designed the landscape portions of the gardens. He designed at least four of these gardens for the WHS. Tom’s wife, Christine, is also a current and long time WHS member. Tom had particular horticultural interests in bonsai, grasses and ferns. He will be missed by all of our members.

Reminder: WHS Field Trip!

A Walk Under Stanford’s Trees - Saturday, October 14
10:00am–12:00pm at Stanford University; Meet in front of the Memorial Church, inner quad. Park around the oval, in front of the quad. Please arrive a little early so we can leave promptly at 10am. Herb Fong, Manager of Stanford's Grounds Services and WHS member, will be leading us on this stroll through the autumn color. This trip offers a chance to see some of the trees in Trees of Stanford and Environs, authored by WHS’ April speaker, Prof. Ron Bracewell. Please email Gail Klein gklein1@stanford.edu for more information.

Field Trip Directions:
From Highway 101 North & South: From Highway 101 take University Avenue exit west toward Palo Alto. Proceed on University Avenue through downtown to Palm Drive. Continue on Palm until the street ends on the "Oval" - a large grass area in front of the Stanford Quad.
From Highway 280 North & South: Exit Sand Hill Road toward Menlo Park/Stanford. Continue east on Sand Hill Road for about 1.5 miles. Turn right on Santa Cruz then make an immediate left onto Junipero Serra Blvd. Proceed 0.5 miles, turn left on Campus Drive. Continue around the Campus Drive loop for 1.7 miles. Turn right on Palm Drive and continue until the street ends on the "Oval" - a large grass area in front of the Stanford Quad.
From El Camino Real: From El Camino Real turn west onto Palm Drive/University Avenue towards Stanford University. As you enter the University, University Avenue will turn into Palm Drive; continue until the street ends on the "Oval" - a large grass area in front of the Stanford Quad.

**For all directions above, Parking is available around the Oval and east of the Oval on Roth Way. From the Oval, walk up the steps into the Stanford Quad.

Raffle Table
September’s raffle table was a wonderland for native plant lovers! Our speaker, Nevin Smith brought a huge selection from Suncrest Nursery. Suncrest is a wholesale nursery, only, but you can check out what they grow on their website (not just natives) and special order from a local nursery. I do know that Almaden Valley Nursery and Yamagami's Nursery can both place orders for you. Big thanks also goes out to donations from Yerba Buena Nursery, Carman's Nursery, and many faithful members. Yerba Buena specializes in California natives and is located on Skyline Boulevard. Call for directions and hours (650) 851-1668. The October table is traditionally supplied by the general membership, so we welcome donations of those rare, exciting, or simply well-grown extra plants you'd like to share.

CEU Credits
Remember: WHS now offers Continuing Education Credits for the CCN Pro—a program of the California Association of Nurseries and Garden Centers. One CEU credit for attendance at each monthly lecture. Just sign in at the registration desk after the program. Spread the word!

California Rare Fruit Growers
The CRFG invite you to their meeting on October 14, 1-3:30. Doors open at noon for fruit tasting. Prusch Farm Park, 647 South King Road, San Jose. Topic: Growing less common fruits in the Bay Area. For more information, contact Nancy Garrison at nancyg2@aol.com.
